CARATTERISTICHE

The “Tuscan Blacks” are three blends of different types of cocoa bean – which come from plantations exclusively selected by Amedei - in which the mix of beans and the percentage of cocoa varies. It is the chocolate with which Cecilia Tessieri, Amedei’s maître chocolatier, expresses her philosophy of couverture chocolate. This is “real chocolate”, the result of more than three hundred years of experimentation, discussions, tastings, trends and customs from the days of the early colonies to the Age of Enlightenment, from France to Belgium, to Holland and to Italy. The chocolate is an attempt to enclose, within one “Napolitain”, all the flavour that chocolate is capable of giving. It is the result of skill and knowledge beyond the plantation.

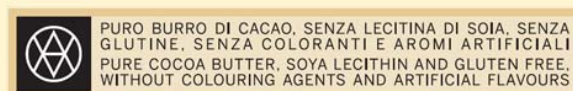

Toscano Black 66%

Aromas: Aroma of chocolate, freshly grown forest undergrowth and forest fruits: redcurrants, wild strawberries, raspberries and blackberries. Aroma of esteemed woods.

Taste: Clean snap, extensive fruity flavour, full, pleasantly acid, rich, reminiscent of fruit filled biscuits covered in chocolate. A chocolate that makes you want to taste it again.
