Don't forget about the sweet stuff. **Amedei's** sumptuous Italian chocolates will make anyone swoon. Chocolate master Cecilia Tessieri has created several different Valentine-themed boxes to satisfy every sweet tooth. The five-piece box contains two deliciously rich Cremino hazelnut pralines, one Delizioso truffle, and two Tartufo pralines. The three-piece box contains the Biancafonte, Firenze and Badia pralines. www.amedei-us.com
