### Holiday gift ideas from Amedei

by Vanessa

**Amedei** – creators of the Chuao chocolate bar considered **the world's greatest chocolate** by chef **Ferran Adrià** – present their finest ideas for gifts for the upcoming holiday season. Their products feature interesting selections including delectable pralines and bars, their famous 'gocce' and of course, their iconic Cru chocolate bars. Just pick your favourite.

There is no doubt that Amedei is a prestigious name in luxury confectioneries. Their signature chocolates combine a passion for excellence with only the best ingredients. Remember the words of Amedei's chocolatier, Cecilia Tessieri: "when a maitre chocolatier succeeds in making people smile by eating chocolate, he or she has reached the goal."
